

### Term 2 Learning

This term we will be engaging in an inquiry unit called 'Me in Place and Time'. Student learning will focus on:

- Identifying and describing important dates and changes in their lives
- Explaining how daily life has changed over time
- Sequencing personal and family events in order and representing the location of different places on maps

#### Literacy will focus on:

- Reading aloud to develop fluency by reading short texts with simple and compound sentences, and supportive images
- Using knowledge of the relationship between sounds and letters, and simple punctuation to make meaning of words
- Recalling key ideas and recognising literal and implied meaning when reading
- Listening to each other in conversation and responding appropriately
- Understanding the purpose of a recount text

#### Mathematics will focus on:

- Counting to and from 120
- Simple addition and subtraction using counting strategies
- Partitioning using place value

### How you can support learning:

- Read with your child every night
- Listen to your child read and ask them simple questions about what they have read
- To support our Writing Norms, here are some ideas to engage your child in writing regularly: Encourage your child to write a shopping list, a 3 sentence story, change the ending to their favourite book or be a sentence doctor and fix all the errors you make in a sentence (look for capital letters and full stops)
- If you would like more information on the Year One curriculum you can click [here](#)

### Key Dates and Activities

**Monday 29/04** - Pupil-free Day  
**Tuesday 30/04** - Term 2 starts
