## Year 5 Term 4 Overview

### Term 4 Learning

Welcome to Term 4 learning for Year 5. This term we will be engaging in an inquiry unit focusing on financial literacy. Our unit "Money, Money, Money" will ask the following questions:

- Why do I have to make choices as a consumer?
- What influences the decisions I make?
- What can I do to make informed decisions?

**Literacy** activities will focus on:

- Identify and explain how choices in language influence personal response to different texts.
- Identify the relationship between words, sounds and imagery and language patterns in narratives and poetry.
- Understand, interpret and experiment with sound devices and imagery.

**Numeracy** activities will focus on:

- Statistics and Probability
  - data representation and interpretation
  - chance experiments
- Money and Financial mathematics
  - Creating simple financial plans

### How you can support learning

- **Google Classroom** (students have access to classroom)
- **Khan Academy** ([www.khanacademy.org](http://www.khanacademy.org)) – great website with video tutorials to support your child with maths concepts
- **Nrich.maths.org** – excellent website for students who wish to enrich their maths learning with problem solving activities
- **Mathantics.com** – short video tutorials to assist learning (sign up email)
- **Reading** - please encourage students to read appropriate texts every night.

### Key Dates and Activities

- **Tuesday 15th October (Wk 1)** – First day of term 4
- **Wednesday 4th December (Wk 8)** – End of Year Concert
- **Tuesday 17th December (Wk 10)** – Last day of term
